

HVAC Technician Program

Launch Your HVAC Career Today!

Most students graduate in 9–11 weeks and start their careers earning \$25–\$30 per hour.

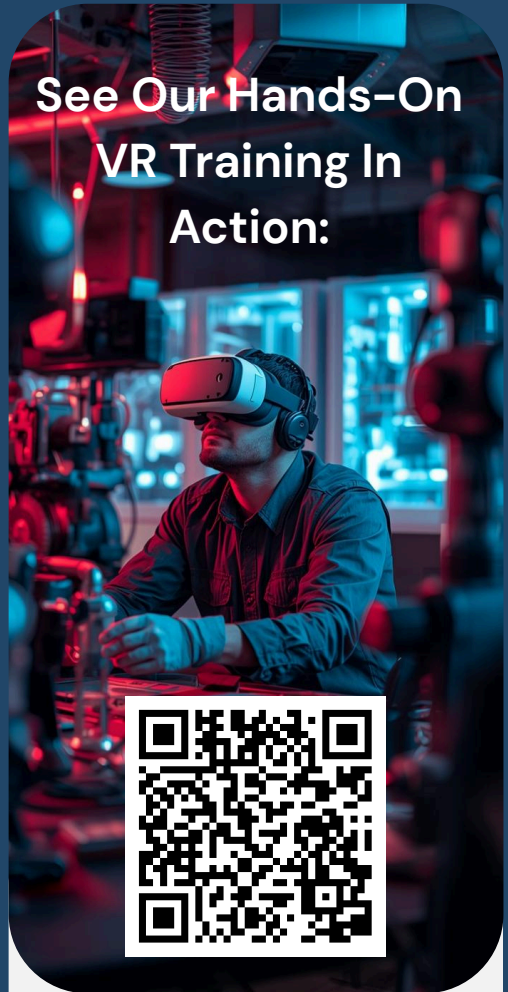

- 100% Online Learning – Study at your own pace with convenient scheduling options that fit your lifestyle.
- VR Simulations – The program includes virtual reality simulations for hands-on training experiences.
- Direct-to-Workforce – The program helps connect you with employers for interviews.
- Affordable & Fast – Save time and money by skipping 2–4 years of college, start your career sooner.

Certifications:

- ✓ EPA 608 Universal – Required to legally handle refrigerants.
- ✓ OSHA 10 Certificate – Your safety credential to work on construction sites.
- ✓ NATE Ready HVAC Academy – A valuable bonus certification that gives you a competitive edge.
