RE: Press Release-Learn & Earn Entrepreneur Program

Merrick Community Services, in cooperation with our partner at LEDC, is proud to announce our Learn & Earn Entrepreneur Program. This program will provide Ramsey County participants, ages 18-30, with career-readiness skills, exposure to different types of entrepreneur pathways, such as food, retail, and trades, along with professional services exposure to various businesses and franchises. Financial education, professional development, and other employment and life skills are also included in the paid training. Professional work experience and shadowing opportunities are included. Additional support services are also available.

Participants will be compensated for both the time they are learning within the program, as well as the time they spend in training and internships.

Training Location: LEDC-Latino Economic Development Center (804 Margaret Street, St. Paul, MN 55106)

Important Dates: Recruiting Now!

Projected Class Start Date: Early November **(REVISED!)**
