

OPPORTUNITY+ TRAINING PROGRAM

A technical career pathway

Interested in a career in the civil engineering and construction industry? Opportunity+ is a pathway to a rewarding career as a civil engineering technician.

Through this program, participants are offered the training, skill building, and networking skills needed to kick-start a career as a civil engineering technician. Full-time positions start between \$17-\$20/hour and go up from there!

CIVIL ENGINEERING TECHNICIANS

Civil engineering is the foundation for the places, spaces and systems that support our lives. Civil Engineering Technicians assist civil engineers in the research, design and construction of projects. Through Opportunity+, participants learn skills in the surveying, construction materials testing and site inspection areas.
